

# The Rogue presents

*For the first time in concert in Vancouver - Sweden's most powerful export since the vikings*

*"Väsen treads an enchanted territory between classical, folk, and pop." - Utne Reader*

*"The sound may be traditional, but the attitude is completely modern, mixing up the ideas of folk, the virtuosity of prog, and the humour of the insane asylum into a cuisinart of acoustic bliss. Visualize whirled music." - Wired*
